Dear Walnut Creek School District Families,

May is a busy month with retirement celebrations, promotion ceremonies and end of the year activities. I hope you join us for **Taste and Toast** on May 8th downtown Walnut Creek. The weather has been beautiful, it is always a fun event and best of all, it is a chance to support WCEF!

This month, our students will be taking the California Assessment of Student Performance and Progress (**CAASPP**). This state assessment measures academic performance in the area of English Language Arts and Mathematics in grades three through eight. CAASPP tests are given statewide and provide an opportunity to measure the skills of all students against the same academic standards. The results provide information schools can use to improve teaching and learning.

Open House is almost here. These are my favorite evenings because we have the opportunity to celebrate both teaching and learning. Please join us:

Tuesday, May 21 ~ All Elementary Schools

Wednesday, May 22 ~ Tice Creek School

Thursday, May 23 ~ Walnut Creek Intermediate School

On Monday, May 13th, we will be launching our 2019 Youth Truth Family survey. The survey window will remain open through Friday, May 31st. Your feedback is very important as it guides us in developing actions steps to improve our educational programs.

Remember to mark your calendars for the first day of school, August 14th, which is one week earlier next year!

Warm regards,

Marie Morgan

Superintendent of Schools
