*Log in with your student account.*

Learn about all sorts of topics, play games, make your own BrainPOP movies! (check out BrainPOP jr. too!) ***Log in with Google acct.***

### READ!

Enter your reading minutes here.

### Science

Click for link to student access.

### Social Studies

We will be studying California history and geography all year. The students will be doing research on specific topics under one or more of the categories: Native Californians, explorers, missions, gold rush, ranchos, presidios, pueblos, and regions. Homework may include writing about these topics in the California Journal.

**KEYBOARDING Without Tears®**  
by Learning Without Tears
