Adequate Yearly Progress

NCLB requires that all schools and districts meet Adequate Yearly Progress (AYP) requirements. To meet these standards, California public schools and districts must meet or exceed criteria in four target areas:

1. Participation rate on statewide assessments
2. Percent of students scoring proficient on statewide assessments
3. API scores
4. Graduation rate for high schools

The table displays whether or not the district made AYP overall and met each of the AYP criteria for 2007-08. For a detailed report on AYP, please visit www.cde.ca.gov/ta/ac/ay.
