2014-15
District Accountability Report Card
Published in 2015-16

Superintendent's Message

Dear Walnut Creek School District Community,

What follows is our School Accountability Report Card (SARC) summary for the Walnut Creek School District. We hope you find the information on standardized testing, textbooks, personnel, facilities and enrollment helpful. We are proud of our district's many accomplishments and appreciate the opportunity to share our data with you.

Sincerely,

Patricia Wool, Ed.D.
Superintendent

About Our District

The Walnut Creek School District is responsible for meeting the educational needs of approximately 3,6163 students enrolled in kindergarten through eighth grade. We operate five K-5 neighborhood elementary schools, one K-6, and one 6-8 intermediate school. Grades K-5 are primarily self-contained, while the intermediate grades offer a mixture of core and elective classes. The K-6 has both self-contained K-5 and core/electives in grade 6.

Our schools include:

- Buena Vista Elementary School - Principal Amy Espinoza
- Indian Valley Elementary School - Principal Milisa Bannister
- Murwood Elementary School - Principal Carol Nenni
- Parkmead Elementary School - Principal Christopher Reddam
- Tice Creek School - Principal Connie McCarley
- Walnut Creek Intermediate School - Principal Brandy Byers, Ed.D.
- Walnut Creek School District - Principal Joy Inouye

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

"A community of learners building knowledge, skills, and character."

Walnut Creek School District Governing Board

Elizabeth Bettis
Board President

Katie Peña
Board Clerk

Sherri McGoff

Aimee Moss

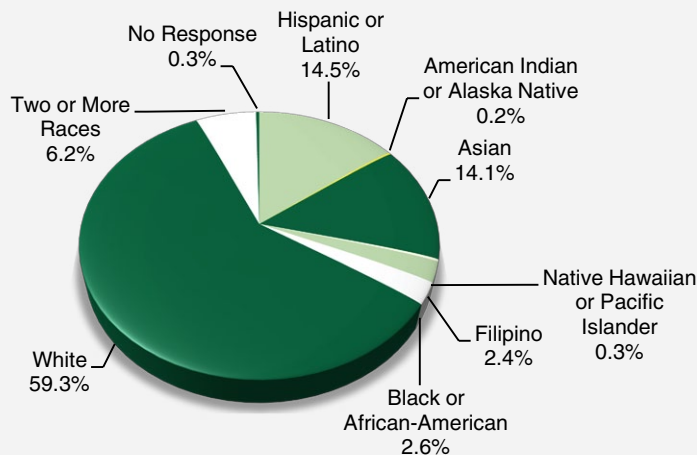

Barbara S. Pennington

Enrollment by Student Group

The total enrollment at the district was 3,608 students for the 2014-15 school year. The pie chart displays the percentage of students enrolled in each group.

Demographics

2014-15 School Year

District Mission Statement

In a student-centered, academically challenging environment that cultivates character, celebrates learning, and fosters collaboration, the staff, families, and greater community of the Walnut Creek School District, as partners, will develop creative, lifelong learners with the skills and enthusiasm to shape a changing world.

Professional Development

All professional growth is determined by the schoolwide and district strategic planning process, which is on-going throughout the school year and culminates with an update in the spring of each year. Planning teams include all school and community stakeholders and the work is based on site-based needs assessments. Input from all school and community stakeholders is collected during the planning process and is used to develop the district Local Control and Accountability Plan (LCAP).

For 2015-16, the district focus area to support implementation of Common Core State Standards is in math, with a continued emphasis on Accountable Talk and collaborative group work in the classroom. In addition to identifying the implementation of Common Core State Standards for professional growth in the district LCAP other areas for professional development identified in the district LCAP are: Technology Integration, English Language Development (ELD) instructional strategies and Silicon Valley Mathematics Initiative (SVMI) training.

As a "community of learners" each staff member participates in personal growth and also in collegial study. As each school identifies goals for supporting the district focus, staff members meet by grade level or departments to study student assessment data or student behaviors and determine how to improve instruction through research and effective pedagogy. At the K-5 level, teachers meet as a grade-level group each week for 2.25 hours to study on a regular basis throughout the year. An instructional coach also provides individual coaching and facilitates two meetings per month. At the intermediate level, staff development activities are planned for "late start Wednesdays" each week, as well as during department release days. An instructional coach at the intermediate level provides individual coaching and participates in department meetings to support professional growth. District administrators and teachers participate in Instructional Rounds to give schools feedback on their progress toward professional learning goals.

Individual teachers attend workshops and classes and read on their own to keep their skills current with research about learning. Some examples are attendance at various conferences: Common Core, SVMI, Middle School Conference, Socratic Seminar, Reading Recovery and technology. Teachers attend training sessions in differentiated instruction, special education, Next Generation Science Standards (NGSS) and in all core curricular areas. Beginning teachers participate in a two-year induction program with a mentor who is trained through the Santa Cruz New Teacher Center.

For the past four years, we have had four days each school year dedicated to staff and professional development. The district ensures the agendas for these professional growth days are tied to areas defined by the strategic plan and LCAP.

Professional Development Days	Three-Year Data		
	2013-14	2014-15	2015-16
Walnut Creek SD	4 days	4 days	4 days

California Standards Tests for All Students: Science (grades 5, 8 and 10)

The table shows the percentage of students in grades 5, 8 and 10 who scored at Proficient or Advanced levels (meeting or exceeding state standards) in science.

Students Scoring at Proficient or Advanced Levels	Three-Year Data					
	Walnut Creek SD			California		
Subject	12-13	13-14	14-15	12-13	13-14	14-15
Science	83%	86%	80%	59%	60%	56%

California Assessment of Student Performance and Progress Results for All Students (grades 3-8 and 11)

The table below shows the percentage of students meeting or exceeding the state standards in English language arts/literacy and mathematics.

Percentage of Students Meeting or Exceeding State Standards	2014-15 School Year	
	Walnut Creek SD	California
English language arts/literacy	70%	44%
Mathematics	63%	33%

California Assessment of Student Performance and Progress/Standardized Testing and Reporting Results

Beginning in the 2013-14 school year, the Standardized Testing and Reporting (STAR) Program was eliminated and replaced by a new set of assessments called the California Assessment of Student Performance and Progress (CAASPP).

For the 2015 school year, the CAASPP included a mix of online and paper-pencil assessments. The online component contained the Smarter Balanced English language arts/literacy and mathematics tests. The paper-pencil science assessments of CAASPP included the California Standards Test (CST), California Modified Assessment (CMA) and California Alternate Performance Assessment (CAPA). There was also the optional Standards-based tests in Spanish for reading/language arts.

The CST is a multiple-choice test in science for varying grade levels. The CMA is a modified assessment for students with disabilities who have an Individualized Education Plan (IEP). The CAPA is an alternate assessment for students with significant cognitive disabilities who are unable to take the CST with accommodations or modifications or the CMA with accommodations.

For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

Adequate Yearly Progress

The federal Elementary and Secondary Education Act (ESEA) requires all schools and districts meet Adequate Yearly Progress (AYP) requirements. California public schools and districts are required to meet or exceed criteria in the following four target areas:

- Participation rate on statewide assessments in English language arts and mathematics
- Percentage of students scoring proficient on statewide assessments in English language arts and mathematics
- Attendance rates for schools with enrollment in Transitional Kindergarten through grade eight (TK-8)
- Graduation rate for high schools

The table displays whether or not the district and state met each of the AYP criteria and made overall AYP for 2014-15. For more information, visit www.cde.ca.gov/ta/ac/ay.

Adequate Yearly Progress Criteria		2014-15 School Year	
	Walnut Creek SD	California	
Met overall AYP	Yes	Yes	
Met participation rate:			
English language arts	Yes	Yes	
Mathematics	Yes	Yes	
Met percent proficient:			
English language arts	■	■	
Mathematics	■	■	
Met attendance rates	Yes	Yes	
Met graduation rate	○	Yes	

Federal Intervention Program

Schools and districts receiving Title I funding that fail to meet AYP over two consecutive years in the same content area (English language arts or mathematics) or on the same indicator enter into Program Improvement (PI). Each additional year that the district or school(s) do not meet AYP results in advancement to the next level of intervention. The percentage of schools identified for Program Improvement is calculated by taking the number of schools currently in PI within the district and dividing it by the total number of Title I schools within the district.

This table displays the 2015-16 Program Improvement status for the district. For detailed information about PI identification, please visit www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Federal Intervention Program		2015-16 School Year	
	Walnut Creek SD		
Program Improvement status	In PI		
First year of Program Improvement	2011-2012		
Year in Program Improvement	Year 3		
Number of Title I schools currently in Program Improvement	2		
Percentage of Title I schools currently in Program Improvement	100.00%		

■ Not applicable. Due to the transition to the Smarter Balanced Summative Assessments, the U.S. Department of Education approved the California Department of Education's waiver request to exclude the percent proficient results from AYP determinations. For more information on the AYP reports, please visit <http://data1.cde.ca.gov/dataquest/>.

○ Not applicable. This AYP indicator is only applicable for high schools.

Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2014-15 school year.

2014-15 Enrollment by Grade

Textbooks and Instructional Materials

The state of California requires that each child have a current standards-based textbook in each of the four core areas of instruction. As a part of this requirement, Walnut Creek School District has purchased editions for teaching language arts (reading, writing, speaking and listening), science, social science, mathematics and health. We are fortunate to have a music text (K-5) for our students and a music specialist who meets with all of the classes. Our foreign-language texts are also up-to-date. Thus, all textbooks in the Walnut Creek School District are current, standards-based, and state-adopted from a state-approved list consistent with the content and cycles of the Curriculum Frameworks and adopted and approved by the State Board of Education.

We have an abundance of supplementary reading materials at varying levels of difficulty in each of our elementary classrooms that are integrated across all core curricular areas. These leveled reading materials provide students with experiences in reading narrative as well as expository text.

The Walnut Creek School District governing board held a public hearing on September 21, 2015, and affirmed that each pupil, including English learners, has his or her own textbook to use in class and to take home.

Textbooks and Instructional Materials List

2015-16 School Year

Elementary School Textbooks

Subject	Textbook	Adopted
English language arts	Houghton Mifflin	2004
Mathematics	Pearson Scott Foresman	2010
Science	Pearson Scott Foresman	2008
History/social science	Macmillan/McGraw-Hill	2006

Intermediate School Textbooks

Subject	Textbook	Adopted
English language arts	McDougal Littell	2002
Mathematics	Prentice Hall	2009
Science	Glencoe	2007
History/social science	Glencoe, Prentice Hall	2006

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks

2015-16 School Year

Criteria	Yes/No
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	No ✘
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes

✘ Walnut Creek SD is waiting for new Common Core State Standards-aligned textbooks to be produced by publishers.

Currency of Textbook Data

This table displays the date when the textbook and instructional materials information was collected and verified.

Currency of Textbook Data

2015-16 School Year

Data collection date	9/2015
----------------------	--------

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Percentage of Students Lacking Materials by Subject

2015-16 School Year

Reading/language arts	0%
Mathematics	0%
Science	0%
History/social science	0%
Visual and performing arts	0%
Foreign language	0%
Health	0%

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-serve basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

School Facility Items Inspected

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. The following is a list of items inspected.

- **Systems:** Gas systems and pipes, sewer, mechanical systems (heating, ventilation and air-conditioning)
- **Interior:** Interior surfaces (floors, ceilings, walls and window casings)
- **Cleanliness:** Pest/vermin control, overall cleanliness (school grounds, buildings, rooms and common areas)
- **Electrical:** Electrical systems (interior and exterior)
- **Restrooms/fountains:** Restrooms, sinks and drinking fountains (interior and exterior)
- **Safety:** Fire-safety equipment, emergency systems, hazardous materials (interior and exterior)
- **Structural:** Structural condition, roofs
- **External:** Windows/doors/gates/fences, playgrounds/school grounds

School Facility Good Repair Status

This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor. At the time of this school facility inspection, no deficiencies were found.

School Facility Good Repair Status		2015-16 School Year	
Items Inspected	Repair Status	Items Inspected	Repair Status
Systems	Good	Restrooms/fountains	Good
Interior	Good	Safety	Good
Cleanliness	Good	Structural	Good
Electrical	Good	External	Good
Overall summary of facility conditions			Exemplary
Date of the most recent school site inspection			10/26/2015-10/27/2015

Suspensions and Expulsions

This table shows the district and state suspension and expulsion rates for the most recent three-year period. Note: Students are only counted one time, regardless of the number of suspensions.

Suspension and Expulsion Rates			
Walnut Creek SD			
	12-13	13-14	14-15
Suspension rates	1.9%	3.4%	3.5%
Expulsion rates	0.0%	0.0%	0.0%
California			
	12-13	13-14	14-15
Suspension rates	5.1%	4.4%	3.8%
Expulsion rates	0.1%	0.1%	0.1%

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram® is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Physical Fitness Test		2014-15 School Year	
Percentage of Students Meeting Fitness Standards	Walnut Creek SD		
	Grade 5	Grade 7	
Four of six standards	16.0%	8.5%	
Five of six standards	36.9%	23.6%	
Six of six standards	40.7%	62.6%	

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. For more information on teacher credentials, visit www.ctc.ca.gov.

Teacher Credential Information	Three-Year Data
	Walnut Creek SD
Teachers	15-16
With full credential	190
Without full credential	1
Teaching outside subject area of competence (with full credential)	9

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note total teacher misassignments includes the number of teacher misassignments of English learners.

Teacher Misassignments and Vacant Teacher Positions	Three-Year Data		
	Walnut Creek SD		
Teachers	13-14	14-15	15-16
Teacher misassignments of English learners	0	0	0
Total teacher misassignments	0	0	0
Vacant teacher positions	0	0	0

Core Academic Classes Taught by Highly Qualified Teachers

The No Child Left Behind Act (NCLB) extended the Elementary and Secondary Education Act (ESEA) to require that core academic subjects be taught by "highly qualified" teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated competence for each core academic subject area he or she teaches. The table displays data regarding highly qualified teachers from the 2014-15 school year.

High-poverty schools are defined as those schools with student participation of approximately 40 percent or more in the free and reduced priced meals program. Low-poverty schools are those with student participation of approximately 39 percent or less in the free and reduced priced meals program. For more information on teacher qualifications related to NCLB, visit www.cde.ca.gov/nclb/sr/tq.

No Child Left Behind Compliant Teachers	2014-15 School Year	
	Percentage of Classes in Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
All schools in district	100.00%	0.00%
High-poverty schools in district	◇	◇
Low-poverty schools in district	100.00%	0.00%

◇ Not applicable.

Types of Services Funded

The following programs are provided to schools in the Walnut Creek School District:

- Title I (Helping Disadvantaged Students Meet High Standards)
- Two full-time equivalent Title I teachers (at Buena Vista and Murwood elementary schools)
- Title II (Improving Teacher Quality)
- Title II (technology)
- Title III (Limited English proficient students)
- Gifted and Talented Education (GATE)
- Teacher Induction Program (TIP)
- School Improvement Program (SIP)
- Art, music, physical education, science (ongoing funds)
- Local Control Funding Formula (LCFF) funded programs (e.g., crisis counselors, ELD classes)

Financial Data

The financial data displayed in this DARC is from the 2013-14 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending Web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

District Salary Data	2013-14 Fiscal Year	
	Walnut Creek SD	Similar Sized District
Beginning teacher salary	\$46,595	\$42,723
Midrange teacher salary	\$69,148	\$65,936
Highest teacher salary	\$88,326	\$84,545
Average elementary school principal salary	\$124,035	\$106,864
Average middle school principal salary	\$127,122	\$110,494
Superintendent salary	\$205,468	\$159,133
Teacher salaries: percentage of budget	46%	40%
Administrative salaries: percentage of budget	6%	6%

Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison	2013-14 Fiscal Year	
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary
Walnut Creek SD	\$6,257	\$75,375
California	\$5,348	\$69,086
School and California: percentage difference	-8.5%	+5.0%

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education (CDE), school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://data1.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1 of each year.

All data accurate as of December 2015.
