Together, with support from *all* of our families, we can keep Indian Valley strong and provide our students with academic and enrichment opportunities—advantages that will last them a lifetime.

Your donation matters!

Participating in art, music, P.E. and science lab activities gives students an academic edge.

Art develops critical thinking and creativity

Elementary art education helps develop creativity, visual learning, critical thinking and motor skills through art project creation.

Music supports math and language development

By teaching students to visualize how harmonic elements fit together, music helps to develop spatial intelligence and problem-solving ability. It also develops the left side of the brain, which processes language.

Physical Education fosters social and emotional wellness

Physical education supports knowledge gained in other disciplines, including science, math and social studies. Physical activity also improves self-discipline, judgment and goal-setting skills.

Science lab instruction builds a life-long appreciation for science and technology

With engaging, hands-on activities, science lab activities help develop the observation skills and inquisitiveness needed to meet 21st century workforce challenges.

Together, Indian Valley and WCEF K-12 provide enriching experiences that set students up for success. Donate now to help our students thrive!

What if I am not able to contribute the full amount needed by the IV PTO and WCEF K-12 for this school year?

If you cannot give the full amount, please consider contributing what you can, with a split of 30% to the IV PTO and 70% to WCEF K-12. Both are non-profit 501(c)(3) organizations and your donations are tax deductible.

What if I would like to contribute more?

Become a member of WCEF K-12's *Scholar Circle* and help our foundation increase the services we offer students. *Scholar Circle* memberships begin at \$1200 per year.

Maximize your donation through a corporate matching gift!

Many employers match their employees' educational donations, effectively doubling the amount received by the IV PTO and WCEF K-12—but corporate matching gifts do not happen automatically. Check with your employer or contact WCEF K-12 for more information.
