Together, with support from *all* of our families, we can keep Walnut Heights strong

and provide our students with academic and enrichment opportunities—advantages that will last them a lifetime.

Your donation matters!

Participating in art, music, P.E. and science lab activities gives students an academic edge.

Art develops critical thinking and creativity

Elementary art education helps develop creativity, visual learning, critical thinking and motor skills through art project creation.

Music supports math and language development

By teaching students to visualize how harmonic elements fit together, music helps to develop spatial intelligence and problem-solving ability. It also develops the left side of the brain, which processes language.

Physical Education fosters social and emotional wellness

Physical education supports knowledge gained in other disciplines, including science, math and social studies. Physical activity also improves self-discipline, judgment and goal-setting skills.

Science lab instruction builds a life-long appreciation for science and technology

With engaging, hands-on activities, science lab activities help develop the observation skills and inquisitiveness needed to meet 21st century workforce challenges.

Together, Walnut Heights and WCEF K-12 provide enriching experiences that set students up for success. Donate now to help our students thrive!

Supporting Walnut Heights

A COLLABORATIVE FUNDRAISING APPROACH

The collaborative fundraising model of the Walnut Creek Education Foundation K-12 (WCEF) and the Walnut Heights PTA allows us to share fundraising efforts to best support WH students.

WCEF K-12 donations fund:

- Specialist instructors in:
 - Science lab

- Extended school library hours
- Professional coaching and mentoring time for teacher collaboration

WH PTA donations fund:

Good things come in twos. Don't shortchange the education of our children. Donate now to both the WH PTA and WCEF K-12 and maximize opportunities for all our students.

Do your part! Donate today!

The California state budget does not fully fund our children's education. Your donation to the WH PTA and WCEF K-12 helps bridge the gap, so every dollar counts!

WH PTA
\$100 per child

WCEF K-12
\$400 per child
\$800 per family

(Payable in monthly installments)

What if I am not able to contribute the full amount needed by the WH PTA and WCEF K-12 for this school year?

If you cannot give the full amount, please consider contributing what you can, with a split of 30% to the WH PTA and 70% to WCEF K-12. Both are non-profit 501(c)(3) organizations and your donations are tax deductible.

What if I would like to contribute more?

Become a member of WCEF K-12's *Scholar Circle* and help our foundation increase the services we offer students. *Scholar Circle* memberships begin at \$1200 per year.

Maximize your donation through a corporate matching gift!

Many employers match their employees' educational donations, effectively doubling the amount received by the WH PTA and WCEF K-12—but corporate matching gifts do not happen automatically. Check with your employer or contact WCEF K-12 for more information.
