

Dianne Adair Enrichment Program @ Tice Creek

Dianne Adair Enrichment Program started in 1983 with one location with the idea to bring safe, affordable daycare in an educational environment to working parents of school age children. Today under the direction of Dianne and Larry's son's Todd Porter, CEO and Brian Carbine, CFO we Became Dianne Adair Enrichment Programs. Together they have great plans for future growth while maintaining the integrity of the original dream. Please feel free to browse through our website:
