- Fridays (9 classes): Sep 14, Sep 21, Sep 28, Oct 5, Oct 12, Oct 19, Oct 26, Nov 2 (short day), Nov 9

*Drama will have its final evening performance at 7pm on a date to be announced by the time class starts.

After School Enrichment (ASE) policies

- All students must fill out a “Parent’s Approval, Student, Family, and Participant Waiver” form BEFORE classes begin. Waivers are available online on the Membership Toolkit.
- Some vendors have additional waiver forms, please be sure to complete those as well.
- Courteous and attentive behavior is expected. A student can be withdrawn without a refund at the teacher’s discretion if there is any consistent inappropriate classroom behavior. Do your best to anticipate your child’s interest level. Class absences are not refundable.

- All classes begin immediately following dismissal from school. Students must go directly to their ASE classroom when the bell rings.
- Unregistered siblings are not permitted to attend ASE classes.
- Walnut Heights Kids Club kids must be escorted to and from the ASE classrooms. To register for Kids Club, contact them at (925) 930-8458. If your child will be attending Kids Club after their ASE class and/or if your kindergartener will be at Kids Club prior to their ASE class, please inform Kids Club and the ASE class provider during registration.
- Students must be picked up at the ASE classroom or in front of the school if they are not registered for Walnut Heights Kids Club.
- Please be prompt and pick up at 3:35pm every day, except for school short days. All classes are one hour and start 5 minutes after school ends. Vendors have the right to impose late fees.

Please contact ASE Program Chair Sylvia Chen at WHPTA.enrichment@gmail.com if any questions or concerns.

Winter 2018 After School Enrichment Class Offerings

Coding Dojo by Code Fu

Location: Rm TBD

Code Fu introduces computer programming in a variety of fun and challenging ways. Students will learn coding fundamentals: loops, variables, conditionals, commands, and functions using a variety of Ed Tech Tools. Programming languages taught: Python, Javascript and HTML. Programming hardware provided.

Mondays (TK-2nd): \$178/child [8 weeks] Location: Rm TBD

Tuesdays (3rd-5th): \$198/child [9 weeks] Location: Rm TBD

Register: <http://www.codefu.co/registration/>

Hip Hop Dance by After School Music Academy

Location: Rm TBD

Dance uplifts, unites, and empowers children. It also provides children with an opportunity to express their individuality while working on gross motor skills and developing cognitive and social skills. Hip Hop is the perfect class for children who want to dance, stay active, and learn how to freestyle! Musicality, rhythm, and creative movement are key components of this fun, urban/street-style dance class that teaches boys and girls alike to step, stomp, and shake it out.

Mondays (K-5th): \$132/child [8 weeks]

Register: <https://www.afterschoolmusicacademy.org/walnut-heights-elementary>

Ukulele Group by After School Music Academy

Location: Rm TBD

The uke is an excellent instrument on which to learn how to play music. It's relatively simple to learn, easy to tote around, inexpensive, super fun, and timelessly popular! In this ensemble, we will jump right into the fun stuff and learn how to play music on the ukulele. By the end of the course, students will know a few chord positions, will be able to play a couple of songs on the ukulele, and be able to sing along. Our instructors bring a classroom set of ukuleles with them to every class for the kids to use and we highly recommend that students also have a ukulele at home to practice

Mondays (K-3rd): \$132/child [8 weeks]

Register: <https://www.afterschoolmusicacademy.org/walnut-heights-elementary>

Drama with Carolyn Powell

Location: MUR

Lights...Camera...Action! Drama classes are back at Walnut Heights for TK-5th graders! In addition to acting and singing, kids will develop stage presence, public speaking skills, confidence, and self esteem all while having fun performing in a musical play!

Tuesdays (TK-2nd): "It's A Jungle Out There!" \$150/child [9 weeks + 7pm show to be announced by the time class starts]

Thursdays (3rd-5th): "Circus Circus!" \$150/child [9 weeks + 7pm show to be announced by the time class starts]

Register: Enrollment will be taken on a first come, first serve basis. Please complete registration form available in the DRAMA drawer in the WH office or www.whpta.com and leave completed registration form and check (payable to Carolyn Powell) in the DRAMA drawer in the WH office OR Venmo Carolyn at Carolyn-Powell-9. Any questions please contact: carolynpowell2012@gmail.com

Art with Amy Pennington

Location: Art Room (Rm 39)

EXPLORE, EXPERIMENT, DISCOVER, CREATE! In After School Art class students are exposed to all kinds of art materials to generate curiosity and stimulate creativity. Structured lessons are presented as well as “free choice” projects so students can explore options and choose. This class is for children in all levels of ability. Please wear play clothes!

Tuesdays (3rd-5th): \$135/child [9 weeks]

Thursdays (TK-2nd): \$135/child [9 weeks]

Register: Please complete registration form available in the ART drawer in the WH office or www.whpta.com and leave completed registration form and check (payable to Amy Pennington) in the ART drawer in the WH office. Any questions please contact: apennington@walnutcreeksd.org

Soccer by One on One Sports

Location: Playground

Our soccer class will be fun program for beginners to experienced soccer players. We will work on Footwork, Dribbling Skills, Passing, and Ball Control. Boys and girls of all skill levels are encouraged to join.

Wednesdays (K-5th): \$115/child [9 weeks]

Register: <http://east-bay.1on1basketball.com/programs?type=3> or complete registration form available in WH office and attach a check payable to One on One Basketball. Send checks to PO Box 2486 Danville, CA 94526. If you have an questions please contact Brent Wyse at 925.451.5888 or brent@1on1basketball.com.

Hands on Science By Spectrum of Science

Location: Rm TBD

CATCHY CHEMISTRY: the importance of chemistry is that it explains the world around you. Make magnificent mind boggling muddled gels & conduct ghastly experiments! Duh! Density!! What will your theatrical snot look like? Play with peppermint! How is glue made? Concoct & test natural dyes! How about science with corn??

EARTH SCIENCE: BOTANY CONNECTIVITY: Earth is awesome – check out environmental challenges! Why is water a problem? Build a hydroponic mini lab & take home to observe watery results! Tag a population! How are the Bahamas growing? Are all plants the same?

GNARLY SCIENCE: Investigate & explore! These labs have been developed from the requests of children in the 2017-2018 after school labs! Find pollution solutions! Reconnoiter dragon’s blood trees! Survey & question conservation ideas! Investigate sink holes & cenotes!

Wednesdays (1st-5th): \$222/child [9 weeks, material fee included]:

Register: <http://spectrumofscience.com/afterschoollabs-2/> or 925-820-2415**Basketball by One on One Sports**

Location: Outdoor basketball courts

The one-hour instructional sessions combine fundamental skills instruction with organized team competition with the goal of providing an enjoyable and educational after school athletic event.

Developing players benefit by improving their individual skills such as passing, dribbling, shooting, rebounding, and defending while, at the same time, learning how to work within the framework of a team. Boys and girls of all skill levels are encouraged to join.

Fridays (K-5th): \$115/child [9 weeks]

Register: <http://east-bay.1on1basketball.com/programs?type=3> or complete registration form available in WH office and attach a check payable to One on One Basketball. Send checks to PO Box 2486 Danville, CA 94526. If you have an questions please contact Brent Wyse at 925.451.5888 or brent@1on1basketball.com.

Chess by The Berkeley Chess School

Location:

Rm TBD

Chess is fun and can be learned quickly and easily. Studies have found that chess improves test results in reading, science, and math, and produces growth in critical cognitive skills. Beyond academia, chess influences social behavior including self esteem, respect for others, patience, and good sportsmanship. And did we mention: it's FUN! There are infinite varieties of chess games, so our material is varied in each session. Boards and sets are provided for our classes. This class is appropriate for new or continuing students of varying levels. 50% off for siblings.

Wednesdays (1st-5th): \$135/child [9 weeks]

Register: <https://bcs.jumbula.com/Fall2018/WalnutHeightsFall2018>

Kids Yoga by Yoga with Sarah Stonerock

Location: Rm TBD

Introducing yoga to children at an early age can help them learn healthy lifestyle habits and set the foundation for a fit future. In this class, we will study and practice yoga poses specifically for children, kid-friendly pranayama/breathing techniques, mindfulness, and meditation. Yoga mats provided.

Thursdays (3rd-5th): \$140/child [9 weeks, includes yoga mat fee]

Register: Please make checks payable to Sarah Stonerock and mail the registration form below to 429 Nob Hill Drive, Walnut Creek, CA 94596. Registration forms available at whpta.org or in the WH office, After School Enrollment drawer. For questions please email sarahstonerock@gmail.com or call 510-673-8565

RobotED Out of This World! by Tiny Techs Club

Location: Rm TBD

Let your imagination soar! Build these other-worldly robots and learn the fundamentals of engineering like gears, levers, pulleys and cranks. Spin the Trolls and fly the Magic Carpet. Launch the Saucer and make the Alien head whirl! Each team of two gets a computer and a LEGO® WeDO® kit to use. Exclusive curriculum with emphasis on hands-on work, STEM concepts and fun with science!

Fridays (1st-5th): \$136/child [8 weeks]

Register: <http://tinytechsclub.com/events/walnut-heights/>
