

Guest Professor

Your child will have an opportunity to teach the class about something that is of interest to them. You will sign your child up for their Guest Professor week. Prior to their week they should choose a topic, which they are interested in and possibly already know a lot about. Your child's presentation should include the following:

- Visuals (poster, photos, drawings, objects etc.)
- They should practice several times before their date using their props.
- Encourage loud voice, eye contact, clear speaking, etc.

Presentation Ideas

- Topics (volcanoes, pet care, a particular place, George Washington etc.)
- Special Talent (ballet, piano, soccer, Tae Kwon Do etc.)
- Collections/hobbies (rocks and knowledge of rocks, baseball cards and teach about collecting cards and player knowledge etc.)

Presentations will be on Thursdays of your child's guest professor week.
